

Core Value

Nurture the Future

Daiseki's mission is to preserve the global environment and build a sustainable society. It is said that it is necessary to shift to economic activities within the planetary boundary (the limits of the earth) to achieve a sustainable society. Daiseki is committed to fostering people who create the future and acting to pass on a sustainable and bright future to the next generation.

Daiseki's Key Strategies

- ① Make environmental conservation a viable business
- ② Contribute to the realization of a circular economy
- ③ Maximize employee vitality and realize people's happiness
